Finalization of IT firm for the Implementation of Intranet Portal in IRDAI – Short listing of IT firms for commercial bidding

This is with reference to the Tender Dated 14th November 2015 published on our Website; Tender for Implementation of Intranet portal with Web based content management, Document management, Workflow management and Collaboration capabilities.

Based on the detailed scrutiny of the Technical Proposals submitted by the various IT firms, subsequent clarifications and also based on the evaluation of the presentations/POC made before the Technical Committee, the following IT firms have been technically short-listed.

1. M/s WIPRO LIMITED
2. M/s ACUVATE SOFTWARE PRIVATE LIMITED
3. M/s ESDS SOFTWARE SOLUTION PRIVATE LIMITED

During the evaluation of the technical proposals of the bidders, it was observed that there were variations in respect of Bill of material (BOM) proposed by the bidders in respect of Hardware, software licenses, Services etc even though the details of existing infrastructure and the requirements were clearly indicated in the RFP. Therefore, a normalised bill of material (BOM) required for this project has been arrived and the same will be communicated to the technically short listed bidders separately.

The last date for submission Commercial bid as per the normalised BOM is 1st August 2016, 3.00 PM. The commercial bids shall be opened on the same day 1st August 2016 4.00 PM.

The selection of the successful bidder will be based on acceptable commercial bid taking into account the terms and conditions as well as the cost effective solution.
