1.	M/s. Sara Info way ITES India Pvt. Ltd.	The vendor must be Original manufacturer of the equipment / Authorized Service Provider of OEM /Warranty support provider of OEM who can supply the hardware as per the specification stated in RFP (Authorisation letter from OEM is essential)	• Authorization letter from OEM not submitted • POs for FY 2014-15 not submitted (**for 2 Crores**)

The Committee learnt that the above two bidders were informed on October 05, 2017, to submit the missing/incomplete documents by October 09, 2017 and also reminded personally. However, the requested documents were not submitted by them in spite of several reminders. Therefore, the technical bids of the above bidders were not considered for further evaluation.

The technical presentations of remaining bidders were evaluated based on the following parameters. Each bidder was requested to make a short presentation covering the details of how the bid conforms to the stipulated RFP requirements.

1. Whether hardware proposed is in line with RFP requirement?
2. Availability of Technical Implementation Team to implement the requirements stated in the RFP.
3. Onsite Support Matrix
4. Project Implementation Plan for the proposed solution.
5. Configuration of High Availability with no single point of failure in the solution architecture, as requested in the RFP.
6. Migration from existing infrastructure to proposed infrastructure including OS, DB, Hardware, etc.
7. Network speeds of 10Gbps across the solution landscape
8. Implementation of VM solution in proposed hardware for production cluster and test server

9. Capability of bidders in meeting the SLA requirements and arranging back-to-back support from OEM and act as a Single point of contact

10. Availability of SAP expertise for handling data migration work.

Based on the technical presentations made by the bidders, the committee observed the following:

(i)   All the five bidders have the required capacity and capabilities to meet the RFP requirements

(ii)   All the five bidders will be able to handle the project and complete the same in the stipulated time frame, if they are awarded the contract.

In view of the above, the committee decided to shortlist all the five bidders stated below, for commercial bid evaluation.

1. M/s. Accel Frontline Ltd.
2. M/s. Cache PeriperalsPvt. Ltd.
3. M/s. Gowra Bits & Bytes
4. M/s. K Computers
5. M/s. Sify Technologies Ltd.
