Circular

To

CEOs of all Non-Life Insurance Companies

**Subject: Discontinuation of offline submission of transaction level data commencing 01.04.2013 and submission of only ONLINE**

Hitherto Non-Life Insurers have been submitting transaction level data of the following lines of business through offline as well as online mode.

- Health
- Motor
- Other Lines Of Business (Fire, Marine & Engineering)

As the quality of the online submission has stabilized now, they are requested to STOP offline submission ie., CD submission/e-mail commencing from 2013-14 submission. They shall kindly ensure that their online submission contains all the data items properly filled-in, in order to cater to the demand from insurers to produce qualitative analytics. We reiterate that in the case of **Motor** and **Other Lines Of Business (OLOB)**, the advice is to right away stop sending Offline data. Owing to special issues involved in health data submission, the following clarification is given w.r.t only Health portfolio.

**HEALTH:**

Till now, there are two categories of health data submission viz., 1) Commercial data 2) Govt health data(like RSBY). Non-Life Insurers have been submitting **commercial** data through offline as well as online mode. Offline commercial data submission shall stop henceforth.

Non-Life Insurers have been submitting **Govt health transaction level data(like RSBY)** through offline only. Commencing from 2013-14, they shall submit the same (**each scheme separately**) also through online mode and **STOP** off-line submission thereof. **The specifics of the upload procedure of Govt. transaction level data will be circulated shortly.**

**In order to give more clarity, Non-Life Insurers are hereby requested to submit only online upload of commercial non-life health transaction level data other than Govt health transaction level data(like RSBY). Online upload of Govt health transaction level data can be commenced after specific instructions are issued therefor.**

If the insurers have any doubts to be clarified with regard to data submission of any line of business, they may kindly advise their SINGLE TOUCH POINT FOR COMMUNICATION (STPC) with IIB to get in touch with
