unauthorized entities professing to be selling health plans by offering discounts on medical treatments or diagnostic tests

It has come to the notice of the Authority that some unauthorized entities are professing to be selling health plans by offering discounts on medical treatments or diagnostic tests. It is hereby clarified that only the IRDAI registered insurance companies, or their authorized agents and intermediaries registered by IRDAI can sell insurance products. Individuals who avail such services from unauthorized persons or entities shall be doing so at their own risk. The list of insurance companies recognized by IRDAI may be seen at www.irdai.gov.in. In case of doubt, the customers may contact the insurance company to ascertain the genuineness of the insurance plan and of the selling person.
