Portfolio Strategy You can choose among the following asset allocation strategies: • LifeCycle-based Portfolio Strategy • Fixed Portfolio Strategy. You may opt into or out of a Portfolio Strategy during the policy term. You can only have your funds in one of the Portfolio strategies at any point in time. **i. LifeCycle-based Portfolio Strategy a.** Under this strategy, the Company's Multi Cap Growth Fund will be used for equity exposure and the Income Fund for debt exposure. **b.** The Fund Value will be allocated to the Multi Cap Growth and Income Fund as per the Policyholder's age as described in the following schedule.

Age (Last birthday)	0 – 25	26 – 35	36 - 45	46 – 55	56 – 65	66 – 80
Multi Cap Growth Fund	85%	75%	65%	55%	45%	35%
Income Fund	15%	25%	35%	45%	55%	65%

Under this strategy, you have the option to make Partial Withdrawals. Partial Withdrawals and different growth rates of the Multi Cap Growth and Income Fund may cause the actual fund weightings to differ from the above schedule. Since the objective is to allocate assets based on risk appetite at the current age, the Policyholder funds will be regularly rebalanced to achieve the above allocations. This will be done by automatic switching of units between the two funds at every policy quarter. During the last ten quarters of the Policy term, the exposure in the Multi Cap Growth Fund will be systematically reduced as per the Policyholder's age as described in the table below by automatic switches to the Income Fund. This is done so that the Fund Value at the time of maturity is not adversely affected by short term volatility in the equity market that Multi Cap Growth Fund invests in.

Age (Last birthday)	Multi Cap Growth Fund	Exposure in the last ten quarters prior to maturity										
		10	9	8	7	6	5	4	3	2	1

ii. Fixed Portfolio Strategy Under this strategy, the Policyholder may choose to invest his or her money in any of the funds offered and in proportions of his or her choice. The available funds are described above. A Policyholder who chooses the Fixed Portfolio Strategy may avail of the Automatic Transfer Strategy described below. There would be no additional charge for selecting the Automatic Transfer Strategy. The Policyholder can choose to automatically transfer a fixed amount of his or her investments in the Money Market Fund or Income Fund to any one of the following funds: Opportunities Fund, Multi Cap Growth Fund, Maximiser V, or Bluechip Fund. This transfer will be done in equal instalments in not more than 12 monthly instalments. The Policyholder can opt for a transfer date of either 1st or 15th of every month. If the date is not mentioned, the funds will be switched on the 1st of every month. If the 1st or 15th of the month is a non-valuation date then the next working day's NAV will be applicable. At the time of transfer, the required number of units will be withdrawn from Money Market Fund or Income Fund, at the applicable unit value, and new units will be allocated in the chosen destination fund. The minimum transfer amount is ₹ 2,000. This value is subject to change from time to time as per the rules of the Company and subject to prior approval of IRDA. The Automatic Transfer Strategy will be renewed and will be regularly processed for the Policyholder till the Company is notified, through a written communication, to discontinue the same. The Automatic Transfer Strategy will not be applicable if the source Fund Value is less than the amount nominated for transfer.

5.6 Valuation of the Funds Valuation of Funds is the determination of the value of the underlying assets of the Funds. The valuation of the assets will be made as per the valuation norms prescribed by the Regulator and implemented by us.

5.8 Your rights with respect to the Funds This policy enables you to participate only in the investment performance of the Funds, to the extent of allocated units. It does not in any way confer any right whatsoever on you or on the Life Assured to share in our profits or surplus of the business in any manner whatsoever or make any claim in relation to our assets. All assets relating to the Fund shall be and shall remain in our absolute beneficial ownership and control. There is no trust created, whether express or implied, by us in respect of the investments in your favour or assignee or nominee of the policy or any other person.

You shall be given at least three months' prior written notice of our intention to close any of the Funds completely or partially except in 'Force Majeure' conditions as mentioned in clause 6.5, where we may give a shorter notice. In case of complete closure of a Fund, on and from the date of such closure, we shall cease to issue and cancel units of the said Fund and cease to carry on activities in respect of the said Fund, except such acts as are required to complete the closure. In such an event if the units are not switched to another Fund by you, we will switch the said units to any other appropriate Fund with similar characteristics as per Board approved policy, with due weightage for the respective NAVs at the time of switching, subject to prior approval from the Regulator. However, no fee would be charged by us for switching to another Fund or exiting from the policy in the event of complete closure of Funds.

As such, in effect, no charges will apply after the date of death. If the Life Assured, whether sane or insane, commits suicide within one year from the date of revival, the policy shall be void and only the Fund Value including Top-up Fund Value, if any, as available on the date of death of the Life Assured will be payable. As such, in effect, no charges will apply after the date of death. If the Life Assured, whether sane or insane, commits suicide within one year from the effective date of any increase in the Sum Assured, then the amount of increase shall not be considered in the calculation of Death Benefit. merely because the terms of the policy are adjusted on subsequent proof that the age of the life Insured was incorrectly stated in the proposal.” **b.** In case of fraud or misrepresentation, the policy shall be cancelled immediately by paying the surrender value, subject to the fraud or misrepresentation being established by the Company in accordance with Section 45 of the Insurance Act, 1938. **c.** We rely upon the information given by you in the proposal form and in any other document(s) submitted in support of the proposal form.
