Premium

5.1 Payment of premium:

The Policyholder is required to pay regular premiums for the entire premium payment term as per the mode of premium specified in the Policy Schedule.

Premiums shall be deemed to have been paid only when received at the Company's offices which are authorized by the Company to accept payment of Premiums. The official receipt issued by the Company is the only valid evidence of payment of Premiums.

In case a valid claim arises under the Policy during the grace period but before payment of the due Premium, the Company will still admit the claim.

Any unpaid premium for the Policy year will become due and payable immediately. In the event, the said unpaid premium is not received by the Company, the Company will deduct the said unpaid premium, while settling such a claim.

5.2 Mode of payment of premium

The Policyholder may pay regular premiums in yearly, half yearly, quarterly or monthly modes by cash, cheque, debit/credit card, ECS, online payment, demand draft, Salary Deduction Scheme (SDS) or direct debit. The Policyholder may request to change the mode and frequency of payment of regular premiums on any Policy Anniversary date during the premium payment term but not at other times. The Company, at its sole discretion, may agree to accept the payment of the Premium in any mode (annual / half-yearly / quarterly / monthly) as requested by Policyholder. The amended Schedule notifying the changed installment Premium shall be issued to the Policyholder.

Monthly	0%

5.6 Discontinuance of payment of premium

If the Policyholder discontinues the payment of premiums, the policy will:

i. Lapse:

If the first annualised premium is not paid in full then the policy lapses at the end of the grace period and the insurance cover will cease immediately. In such a scenario, no benefits will be paid if the policy is not revived within the revival period.

If at least the first annualised premium is paid in full and the first three annualised premiums are not paid in full then the policy lapses at the end of the grace period and the insurance cover will cease immediately. In this case the policy will acquire a Surrender Value which will be payable only after the completion of three policy years or at the end of the revival period, whichever is later. For details on surrender value, please refer to the Surrender Benefit under Section 4.2 of this policy document. In such a scenario, no other benefits will be paid if the policy is not revived within the revival period.

A lapsed policy can be revived within the revival period (i.e. a period of 2 years from the due date of first unpaid premium). The revival is subject to the board approved underwriting policy.

If a lapsed policy is not revived within the revival period, the policy will be terminated.

ii. Paid-up:

If three annualised premiums are paid and no future premiums are paid the policy may continue as paid-up and the benefits would be reduced.

The Benefits under the base Plan will be reduced in respect of a Paid-up Policy, as given below:

How and when benefits are payable	Size of such benefits/policy monies			
Death Benefits during the policy term	Death Benefit applicable at the time of the policy becoming Paid-up excluding any bonuses * (number of premiums paid / total number of premiums payable) subject to a minimum of 105% of all the premiums paid till the time of death plus vested bonuses

Maturity Benefits at the end of policy term	Paid-up Maturity Benefit plus vested bonuses, if any. where, Paid-up Sum Assured = Sum Assured * (number of premiums paid / total number of premiums payable) Paid-up Maturity Benefit= Paid-up Sum Assured			

Once the policy becomes Paid-up, no further bonuses shall accrue to that policy. All Rider Benefits will cease immediately once the policy acquires a Paid-up status. A Paid-up policy can be revived during the revival period (i.e. a period of two years from the due date of the

first unpaid premium but before the maturity date). The revival is subject to board approved underwriting policy of the company.

5.7 Revival of a lapsed or Paid-up policy

A policy in lapsed or paid-up condition can be revived during the revival period by paying the arrears of premiums along with interest at 10.50% p.a. rate of interest. If the base plan is revived, rider benefits can also be revived by paying the arrears of premiums under the riders with interest at 10.50% p.a. rate of interest.
