- B. Limits of liability in an **occurrence** apply to the total loss or damage at all **locations** and for all coverages involved, including any insured TIME ELEMENT loss, subject to the following provisions:

Applicable Limits of Liability/Time Limits:

10. DEDUCTIBLES –

Subject to the deductible general provisions stated below, in each case of loss covered by this Policy the following deductibles apply:

Deductible General Provisions:

In each case of loss covered by this Policy, the Company will be liable only if the Insured sustains a loss, including any insured TIME ELEMENT loss, in a single **occurrence** greater than the applicable deductible specified above, and only for its share of that greater amount.

- A. For SERVICE INTERRUPTION loss, when a deductible is not specifically stated as applying to SERVICE INTERRUPTION, the deductible applied to the SERVICE INTERRUPTION loss will be the deductible that would apply if the cause of the interruption happened at the **insured location** that sustains the interruption of the specified services.
- B. For CONTINGENT TIME ELEMENT EXTENDED loss, when a deductible is not specifically stated as applying to CONTINGENT TIME ELEMENT EXTENDED, the deductible for CONTINGENT TIME ELEMENT EXTENDED loss will be determined as though the **contingent time element location** was an **insured location** under this Policy.
- C. The stated earthquake deductible will be applied to earthquake loss. The stated **flood** deductible will be applied to **flood** loss. The stated **wind** deductible will be applied to **wind** loss. The provisions of item E below will also be applied to each.

As respects and notwithstanding item E below, in the event of loss resulting from both flood and wind, such flood and **wind** loss shall be adjusted separately from each other with each being subject to its respective deductible.

- D. When this Policy insures more than one **location**, the deductible will apply against the total loss covered by this Policy in an **occurrence** except that a deductible that applies on a per **location** basis, if specified, will apply separately to each **location** where the physical damage happened regardless of the number of **locations** involved in the **occurrence**.

- E. Unless stated otherwise, if two or more deductibles apply to an **occurrence**, the total to be deducted will not exceed the largest deductible applicable. For the purposes of this provision, when a separate Property Damage and a separate Time Element deductible apply, the sum of the two deductibles will be considered a single deductible. If two or more deductibles apply on a per **location** basis in an **occurrence**, the largest deductible applying to each **location** will be applied separately to each such **location**.

- F. When a % deductible is stated above, whether separately or combined, the deductible is calculated as follows:

Property Damage – % of the value, per the Valuation clause(s) of the PROPERTY DAMAGE section, of the property insured at the **location** where the physical damage happened.

Time Element – % of the full Time Element values that would have been earned in the 12 month period following the **occurrence** by use of the facilities at the **location** where the physical damage happened, plus that proportion of the full Time Element values at all other **locations** where TIME ELEMENT loss ensues that was directly affected by use of such facilities and that would have been earned in the 12 month period following the **occurrence**.

- G. For insured physical loss or damage:
 - 1) to insured fire protection equipment; or
 - 2) from water or other substance discharged from fire protection equipment of the type insured,

the applicable deductible applying to items 1 or 2 above only will be reduced by fifty percent (50%), per **occurrence**. However, this provision will not apply to loss or damage resulting from fire or **earth movement** regardless of whether claim is made for such fire or **earth movement**.

- B. Personal Property:
 - 1) owned by the Insured.

This Policy also insures the interest of contractors and subcontractors in insured property during construction at an **insured location** or within 1,000 feet/300 metres thereof, to the extent of the Insured's legal liability for insured physical loss or damage to such property. Such interest of contractors and subcontractors is limited to the property for which they have been hired to perform work and such interest will not extend to any TIME ELEMENT coverage provided under this Policy.

2. PROPERTY EXCLUDED

The following exclusions apply unless otherwise stated in this Policy:

This Policy excludes:

This exclusion D1 does not apply to radioactive contamination which is excluded elsewhere in this Policy.
 - 2) shrinkage.
 - 3) changes in colour, flavour, texture or finish.

Such covered resulting physical loss or damage does not include any loss, cost or expense described in A or B above. If such covered resulting physical loss or damage happens, and if this Policy provides TIME ELEMENT coverage, then, subject to all of its terms and conditions, this Policy also covers any insured Time Element loss directly resulting therefrom.

5. VALUATION

Adjustment of the physical loss amount under this Policy will be computed as of the date of loss at the place of the loss, and for no more than the interest of the Insured.

Unless stated otherwise in an Additional Coverage, adjustment of physical loss to property will be subject to the following:

- A. On stock in process, the value of raw materials and labour expended plus the proper proportion of overhead charges.

 - 2) if not repaired or replaced, the **actual cash value**.

damaged or destroyed, even if such equipment has technological advantages and/or represents an improvement in function and/or forms part of a program of system enhancement.

- 6) The increased cost of demolition, if any, directly resulting from insured loss, if such property is scheduled for demolition.
- 7) The unamortized value of improvements and betterments, if such property is not repaired or replaced at the Insured's expense.

The Insured may elect not to repair or replace the insured real or personal property lost, damaged or destroyed. Loss settlement may be elected on the lesser of repair or replacement cost basis if the proceeds of such loss settlement are expended on other capital expenditures related to the Insured's operations within two years from the date of loss. As a condition of collecting under this item, such expenditure must be unplanned as of the date of loss and be made at an **insured location** under this Policy. This Policy covers the actual costs incurred by the Insured:

- 1) of reasonable fees payable to the Insured's: accountants, architects, auditors, engineers, or other professionals; and

This Additional Coverage is subject to the deductible that applies to the loss.

E. CONSEQUENTIAL REDUCTION IN VALUE

This Policy covers the reduction in value of insured merchandise that is a part of pairs, sets, or components, directly resulting from insured physical loss or damage to other insured parts of pairs, sets or components of such merchandise. F. CONTROL OF DAMAGED PROPERTY

This Policy gives control of physically damaged property consisting of finished goods manufactured by or for the Insured as follows:

- 1) the Insured will have full rights to the possession and control of damaged property in the event of insured physical damage to such property provided proper testing is done to show which property is physically damaged.
- 2) the Insured using reasonable judgment will decide if the physically damaged property can be reprocessed or sold.
- 3) property so judged by the Insured to be unfit for reprocessing or selling will not be sold or disposed of except by the Insured, or with the Insured's consent.

- a) actions to temporarily protect and preserve insured electronic data, programs or software.
 - b) actions taken for the temporary repair of insured **physical loss or damage to electronic data, programs or software.**
 - c) actions taken to expedite the permanent repair or replacement of such damaged property.
- 2) the reasonable and necessary costs incurred by the Insured to temporarily protect or preserve insured electronic data, programs or software against immediately impending insured **physical loss or damage to electronic data, programs or software.** In the event that there is no physical loss or damage, the costs covered under this item will be subject to the deductible that would have applied had there been such physical loss or damage.

Costs recoverable under this Additional Coverage are excluded from coverage elsewhere in this Policy.

This Additional Coverage excludes loss or damage to data, programs or software when they are stock in process, finished goods manufactured by the Insured, raw materials, supplies or other merchandise not manufactured by the Insured.

DATA, PROGRAMS OR SOFTWARE :

As respects DATA, PROGRAMS OR SOFTWARE, the following applies:

- 1) the exclusions in the EXCLUSIONS clause of this section do not apply except for A1, A2, A6, B1, B2, B3a and B4.

This Additional Coverage does not cover the costs of removal of:

- 1) contaminated uninsured property; or
- 2) the **contaminant** in or on uninsured property,

whether or not the **contamination** results from insured physical loss or damage. This Additional Coverage covers the costs of removal of contaminated insured property or the **contaminant** in or on insured property only if the **contamination**, due to the actual not suspected presence of **contaminant(s)**, of the debris resulted directly from other physical damage not excluded by the Policy.

I. DECONTAMINATION COSTS

If insured property is contaminated as a direct result of insured physical damage and there is in force at the time of the loss any law or ordinance regulating **contamination** due to the actual not suspected presence of **contaminant(s)**, then this Policy covers, as a direct result of enforcement of such law or ordinance, the increased cost of decontamination and/or removal of such contaminated insured property in a manner to satisfy such law or ordinance. This Additional Coverage applies only to that part of insured property so contaminated due to the actual not suspected presence of **contaminant(s)** as a direct result of insured physical damage.

The Company is not liable for the costs required for removing contaminated uninsured property or the **contaminant** therein or thereon, whether or not the **contamination** results from an insured event.

J. DEMOLITION AND INCREASED COST OF CONSTRUCTION

- 1) This Policy covers the reasonable and necessary costs incurred, described in item 2 below, to satisfy the minimum requirements of the enforcement of any law or ordinance regulating the demolition, construction, repair, replacement or use of buildings, structures, machinery or equipment at an **insured location**, provided:
 - a) such law or ordinance is in force on the date of insured physical loss or damage;
 - b) its enforcement is a direct result of such insured physical loss or damage; and
 - c) the Insured was not legally obligated to comply with such law or ordinance prior to the happening of the insured physical loss or damage.
- 2) This Additional Coverage, as respects the property insured in item 1 above, covers:
 - a) the cost to repair or rebuild the physically damaged portion of such property with materials and in a manner to satisfy such law or ordinance; and
 - b) the cost:
 - (i) to demolish the physically undamaged portion of such property insured; and

(ii) to rebuild it with materials and in a manner to satisfy such law or ordinance,

to the extent that such costs incurred result when the demolition of the physically damaged insured property is required to satisfy such law or ordinance.

- 3) This Additional Coverage excludes:
 - a) any costs incurred as a direct or indirect result of enforcement of any laws or ordinances regulating any form of **contamination**.
 - b) any machinery or equipment manufactured by or for the Insured, unless used by the Insured in its operation at the **location** suffering the physical loss or damage.
- 4) The Company's maximum liability for this Additional Coverage at each **insured location** in any **occurrence** will not exceed the actual cost incurred in demolishing the physically undamaged portion of the property insured in item 1 above plus the lesser of:
 - a) the reasonable and necessary actual cost incurred, excluding the cost of land, in rebuilding on another site; or

TIME ELEMENT

TIME ELEMENT loss as provided in the TIME ELEMENT COVERAGES and TIME ELEMENT COVERAGE EXTENSIONS of this section of the Policy:

- A. is subject to the applicable limit of liability that applies to the insured physical loss or damage but in no event for more than any limit of liability that is stated as applying to the specific TIME ELEMENT COVERAGE and/or TIME ELEMENT COVERAGE EXTENSION; and
 - B. will not increase the Policy limit of liability; and
 - C. is subject to the Policy provisions, including applicable exclusions and deductibles,
- all as shown in this section and elsewhere in this Policy.

1. LOSS INSURED

- A. This Policy insures TIME ELEMENT loss, as provided in the TIME ELEMENT COVERAGES, directly resulting from physical loss or damage of the type insured:
 - 1) to property described elsewhere in this Policy and not otherwise excluded by this Policy or otherwise limited in the TIME ELEMENT COVERAGES below or in endorsements attached to this Policy;
 - 2) used by the Insured, or for which the Insured has contracted use;

 - 1) the use of any property or service owned or controlled by the Insured;
 - 2) the use of any property or service obtainable from other sources;
 - 3) working extra time or overtime; or
 - 4) the use of inventory,

all whether at an **insured location** or at any other premises. The Company reserves the right to take into consideration the combined operating results of all associated, affiliated or subsidiary companies of the Insured in determining the TIME ELEMENT loss.

- C. This Policy covers expenses reasonably and necessarily incurred by the Insured to reduce the loss otherwise payable under this section of this Policy. The amount of such recoverable expenses will not exceed the amount by which the loss has been reduced.
- D. In determining the amount of loss payable, the Company will consider the experience of the business before and after and the probable experience during the PERIOD OF LIABILITY. The probable experience will consider any increase or decrease in demand for the Insured's goods or services during the PERIOD OF LIABILITY, even if such increase or decrease is from the same event that caused physical loss or damage starting the PERIOD OF LIABILITY.

2. TIME ELEMENT COVERAGES

A. INSURED OPTION

The Insured has the option to make claim based on either

- a) GROSS EARNINGS and EXTENDED PERIOD OF LIABILITY; or
- b) GROSS PROFIT,

as described in the TIME ELEMENT section of this Policy and subject to the applicable terms and conditions as may be shown elsewhere.

Such option may be exercised at any time prior to the conditions set forth in the SETTLEMENT OF CLAIMS clause in the LOSS ADJUSTMENT AND SETTLEMENT section of this Policy.

If such claim involves more than one **insured location**, including interdependency at one or more **insured locations**, such claim will be adjusted by using the single coverage option chosen above.

B. GROSS EARNINGS

Measurement of Loss:

- 1) The recoverable GROSS EARNINGS loss is the Actual Loss Sustained by the Insured of the following during the PERIOD OF LIABILITY:
 - a) Gross Earnings;
 - b) less all charges and expenses that do not necessarily continue during the interruption of production or suspension of business operations or services;
 - c) plus all other earnings derived from the operation of the business.

- 2) For the purposes of the Measurement of Loss, Gross Earnings is:

for manufacturing operations: the net sales value of production less the cost of all raw stock, materials and supplies used in such production; or

for mercantile or non-manufacturing operations: the total net sales less cost of merchandise sold, materials and supplies consumed in the operations or services rendered by the Insured.

Any amount recovered under property damage coverage at selling price will be considered to have been sold to the Insured's regular customers and will be credited against net sales.

- 3) In determining the indemnity payable as the Actual Loss Sustained, the Company will consider the continuation of only those normal charges and expenses that would have been earned had there been no interruption of production or suspension of business operations or services.
- 4) There is recovery hereunder to the extent that the Insured is:
 - a) wholly or partially prevented from producing goods or continuing business operations or services;
 - b) unable to make up lost production within a reasonable period of time, not limited to the period during which production is interrupted;
 - c) unable to continue such operations or services during the PERIOD OF LIABILITY; and
 - d) able to demonstrate a loss of sales for the operations, services or production prevented.

C. GROSS PROFIT

Measurement of Loss:

- 1) The recoverable GROSS PROFIT loss is the Actual Loss Sustained by the Insured of the following due to the necessary interruption of business during the PERIOD OF LIABILITY: a) Reduction in Sales and b) Increase in Cost of Doing Business. The amount payable as indemnity hereunder will be:
 - a) with respect to Reduction in Sales: The sum produced by applying the Rate of Gross Profit to the amount by which the sales during the PERIOD OF LIABILITY will fall short of the Standard Sales. In determining the Reduction in Sales, any amount recovered under property damage coverage at selling price will be credited against lost sales.
 - b) with respect to Increase in Cost of Doing Business:
 - (i) the additional expenditure necessarily and reasonably incurred for the sole purpose of avoiding or diminishing the reduction in sales which, but for that expenditure, would have taken place during the PERIOD OF LIABILITY; but
 - (ii) not exceeding the sum produced by applying the Rate of Gross Profit to the amount of the reduction thereby avoided,

all less any sum saved during the PERIOD OF LIABILITY with respect to such of the Insured Fixed Charges as may cease or be reduced because of such interruption of business.

- 2) For the purposes of the Measurement of Loss:

Gross Profit is:

The amount produced by adding to the Net Profit the amount of the Insured Fixed Charges, or if there be no Net Profit the amount of the Insured Fixed Charges less that proportion of any loss from business operations as the amount of the Insured Fixed Charges bears to all fixed charges.

Net Profit is:

The net operating profit (exclusive of all capital receipts and accruals and all outlay properly chargeable to capital) resulting from the business of the Insured at the **insured locations** after due provision has been made for all fixed charges and other expenses including depreciation but before the deduction of any taxes on profits.

Insured Fixed Charges is:

All fixed charges unless specifically excluded herein.

Sales is:

The money paid or payable to the Insured for goods sold and delivered and for services rendered in the conduct of the business at an **insured location**.

Rate of Gross Profit is:

The rate of Gross Profit earned on the sales during the twelve full calendar months immediately before the date of the physical loss or damage to the described property.

Standard Sales is:

The sales during that period in the twelve months immediately before the date of the physical loss or damage to the described property which corresponds with the PERIOD OF LIABILITY.

- 3) In determining the indemnity payable as the Actual Loss Sustained:
 - a) if any fixed charges of the business are not insured hereunder, then, in computing the amount recoverable hereunder as Increase in Cost of Doing Business, that proportion only of the additional expenditure will be recoverable hereunder which the sum of the Net Profit and the Insured Fixed Charges bears to the sum of the Net Profit and all the fixed charges.
 - b) if during the PERIOD OF LIABILITY goods will be sold or services will be rendered elsewhere than at the **insured locations** for the benefit of the business, either by the Insured or by others on the Insured's behalf, the money paid or payable in respect of such sales or services will be included in arriving at the amount of sales during the PERIOD OF LIABILITY.
- 4) The Insured will act with due diligence and dispatch in repairing or replacing physically damaged buildings and equipment to the same or equivalent physical and operating conditions that existed prior to the damage; and take whatever actions are necessary and reasonable to minimize the loss payable hereunder.

GROSS PROFIT Exclusions: As respects GROSS PROFIT, the TIME ELEMENT EXCLUSIONS B of this section does not apply and the following applies instead:

This Policy does not insure against any increase in loss due to damages for breach of contract or for late or noncompletion of orders, or fines or penalties of any nature except fines or penalties for breach of contract or for late or noncompletion of orders.

Coverage under GROSS PROFIT for the reduction in sales due to contract cancellation will include only those sales that would have been earned under the contract during the PERIOD OF LIABILITY.

D. EXTRA EXPENSE

Measurement of Loss:

The recoverable EXTRA EXPENSE loss will be the reasonable and necessary extra costs incurred by the Insured of the following during the PERIOD OF LIABILITY:

- 1) extra expenses to temporarily continue as nearly **normal** as practicable the conduct of the Insured's business; and
- 2) extra costs of temporarily using property or facilities of the Insured or others,

less any value remaining at the end of the PERIOD OF LIABILITY for property obtained in connection with the above.

If the Insured makes claim in accordance with the terms and conditions of the INSURED OPTION clause, the PERIOD OF LIABILITY for EXTRA EXPENSE coverage will be the PERIOD OF LIABILITY applicable to the Time Element coverage option selected.

EXTRA EXPENSE Exclusions: As respects EXTRA EXPENSE, the following additional exclusions apply:

This Policy does not insure:

- 1) any loss of income.
- 2) costs that usually would have been incurred in conducting the business during the same period had no physical loss or damage happened.

- 3) For stock-in-process and mercantile stock, including finished goods not manufactured by the Insured, the time required with the exercise of due diligence and dispatch:

- 5) If water:
- a) used for any manufacturing purpose, including but not limited to as a raw material or for power;

- b) ending not later than the period of time shown in the LIMITS OF LIABILITY clause of the DECLARATIONS section,

during which period the results of the business shall be directly affected by such damage.

- c) not to be limited by the expiration of this Policy.

The Rate of Gross Profit and Standard Sales will be based on the experience of the business after construction is completed and the probable experience during the PERIOD OF LIABILITY.

C. The PERIOD OF LIABILITY does not include any additional time due to the Insured's inability to resume operations for any reason, including but not limited to:

- 1) making changes to the buildings, structures, machinery or equipment except as provided in the DEMOLITION AND INCREASED COST OF CONSTRUCTION clause in the PROPERTY DAMAGE section.

At its option, the Company may pay to the Lender or Mortgagee the whole principal due on the debt or mortgage plus any accrued interest. In this event, all rights and securities will be assigned and transferred from the Lender or Mortgagee to the Company, and the remaining debt or mortgage will be paid to the Company.
